fully executed Call issued by the Contracting Officer. The work to be performed under these Calls must be within the scope of the contract. Charges for any work not authorized shall be disallowed.

- b. The Contractor shall begin work on the Call in with the effective date of the Call.
- c. Calls may be placed during the period of performance of the contract. Any Call issued during the period of performance of this contract and not completed within that time shall be governed by the contract terms to the same extent as if the order were completed during the period of performance of the contract, including the contract and individual order ceiling prices.
- d. Each NOAA library can initiate the Call process by submitting a purchase request, independent government cost estimate, and a quote for the requested subscriptions to the appropriate Contracting Office.

All other terms and conditions remain unchanged.
