**MEMORANDUM** All SSMC Campus Employees  
**FOR:**

**FROM:** Mitchell J. Ross *[original signed]*  
Director, Acquisition and Grants Office

**SUBJECT:** New Phone Numbers for AGO Silver Spring Campus

The NOAA Acquisition and Grants Office (AGO) is implementing a new phone system for AGO employees in SSMC2 in Silver Spring, MD. The new system will be configured to use the AT&T Voice Over Internet Protocol (VOIP) phone system **starting noon Tuesday, February 28, 2012.**

As a result, AGO phone numbers will change and you **must call the full 10 digit number** on the Silver Spring Campus unless your NOAA Office has transitioned to the new AT&T VOIP service.

Please refer to the AGO Website on February 28, 2012 for an updated staff directory. The website address remains the same: <http://www.ago.noaa.gov/ago/directory.cfm>.

All AGO employees will update their phone numbers in the NOAA Staff Directory (<https://nsd.rdc.noaa.gov>) and email/ LDAP directory.
