

Jim Ghiloni is the Deputy Office Director for Government-Wide Acquisition Contract (GWAC) Programs. The Center for GWAC Programs resides within the Office of GWAC and IT Schedule Programs portfolio in the Office of Integrated Technology Solutions (ITS) within the Federal Acquisition Service (FAS). The Center assures that necessary and proper GWACs are developed, maintained, and overseen in order to successfully meet the mission needs of GSA's federal customers. Mr. Ghiloni also acts as the Alliant Program Manager, responsible for overseeing the procurement of the Alliant and Alliant-Small Business GWACs.

Previously, Mr. Ghiloni worked with the FEDSIM organization, as a Senior Project Manager and later as the Group Manager for Navy and Marine Corps Programs. Mr. Ghiloni also served as the Transitional Manager for the SmartBUY program when it was transferred from the Office of Government-Wide Policy to the Federal Technology Service (FTS). Mr. Ghiloni has extensive experience managing GWAC task orders and acquisitions. Mr. Ghiloni is a Certified Project Management Professional. Prior to entering government service, Mr. Ghiloni worked as a senior network engineer in the private sector. He has a Bachelor's Degree from Wesleyan University and a Master's Degree from Indiana University.
